Downloading Libby app

The advertisement features two smartphones. The left phone displays the Libby app's home screen with a search bar, 'PUBLIC LIBRARY' logo, and a 'New York Times Bestsellers' section. The right phone shows the audiobook player for 'WHERE THE CRAWADS SING' by Delia Owens, with a play button and chapter information. To the right of the phones is the Libby logo (a stylized girl with a red bow) and the text 'Read and listen to books FREE' and 'Get the Libby app'. Below this are two buttons: 'Download on the App Store' and 'GET IT ON Google Play'. The background is a dark red with a pattern of book covers.
